

Dear Parent/Guardian,

24th July 2023

GCSE Results Day: Thursday 24th August 2023

This year's results day for Year 11 pupils will take place on Thursday 24th August 2023 starting at 10am. Pupils can come into school to collect results up until 11.30am. If they are unable to collect due to being on holiday, a stamped addressed envelope can be left in reception and these can be sent out in the post (these results will not arrive on the same day as they can not be posted until the 24th).

Results will be given out in the school library and pupils should enter school through the main reception and follow the one way system. There will be staff to support and guide pupils through this process.

After receiving results, pupils will be asked by nominated staff on what their next steps will be, and where they will be continuing their journey, for example which college, apprenticeship or work they will be going on to.

On the day we have a camera crew from the BBC, filming for 'BBC Bitesize - The Mindset'. A consent form has already been sent to all first contacts via text for this. For this they have asked, if the students have their leavers' hoodie (or PE hoodies) can they please wear them on the day.

If anyone would like to donate their old uniform or PE kit to the school for repurposing, we would appreciate it if you brought that in with you.

If you have any queries please feel free to contact me by email at:
