

Dear Parents/Carers,

16th July 2024

Re: Ofsted monitoring visit

Please find enclosed a copy of the letter from Ofsted following our recent monitoring visit which took place on 19th June 2024.

I hope you agree that the letter reads incredibly positively and clearly highlights the many areas across the school where we have seen major improvements since our section 5 inspection last May.

The report also highlights areas where we require further work to improve, but again, we have already identified these areas in our school development plan. Leaders and staff continue to work tirelessly to improve our school, with a particular focus on the areas which have been highlighted. I would like to thank our pupils, families and staff for working together for the benefit of our young people.

It is fantastic to have the recognition that we are definitely well on our way to realising our vision of '**working as one community with a relentless ambition to grow leaders, inspire the extraordinary and achieve excellence for all.**'

I hope you share my excitement and enthusiasm at what our pupils are going to achieve with the opportunities presented to them next year.

Thank you again for your ongoing support.

Yours sincerely

Mr A Martin
Headteacher
